

Grace to You iPhone App

B091214

Well, it's finally here—the iPhone/iPod Touch [App for Grace to You](#). When you download this FREE App, you carry forty years of John MacArthur's Bible teaching in your pocket. That's thousands of hours of in-depth Bible teaching instantly available at the touch of a fingertip. (You can even keep up with this blog, currently located in the "More" section.)

We just wanted to say a special "thank you" to the hard-working team over at [Subsplash](#) for making this happen. Fueled by appreciation for John MacArthur's ministry, they did a masterful job with the design and functionality to give you access to John's faithful Bible teaching everywhere you go.

So, all you iPhone and iPod Touch users, go download the App and take advantage of the technology!

For the rest of you mobile phone users—you who have yet to bite into the Apple—we plan to launch a mobile version of the Grace to You website tomorrow. Stay tuned!
