John MacArthur on the Middle East and the Future of Israel

Scripture: Romans 11:25–26

Code: B121011

We've gotten used to stories of violence, turmoil, and political upheaval in the Middle East as a regular feature of our daily news. The truth is, conflict has *always* been a factor in that part of the world.

At Grace to You, we often receive questions about the situation in the Middle East, the rise of Islam, and the future of Israel. When John MacArthur was recently in studio, we asked him to help us make sense of Israel's present situation, and what Scripture says about its future.

You can hear more of John's teaching on God's prophecies and promises for Israel in his message "[The Salvation of Israel](#)" and his sermon series [The Future of Israel](#).
