## **Charismatic Teaching Is Breeding Spiritual Havoc**

Code: B140613

Conrad Mbewe was one of the keynote speakers at last year's Strange Fire conference. He delivered two powerful messages about the corruption in African charismatic churches (you can listen to his sermons [here](#) and [here](#)).

Among his many talents, Conrad is a gifted writer, and he maintains a blog called [A Letter from Kabwata](#). In his most recent article, he explains how the charismatic church breeds spiritual corruption—how the seeds of the spiritual abuse that's wreaking havoc throughout Africa and around the world are fundamental elements in the core teaching of the charismatic movement.
