

Grace to You :: *Unleashing God's Truth, One Verse at a Time*

A Historic Moment

Code: B110918

Forty-three years ago, John MacArthur set his sights on preaching through the entire New Testament, using verse-by-verse Bible exposition. Over the years he worked hard to accomplish that goal, and he didn't merely hit the highlights of the New Testament or avoid difficult passages. He expounded everything in a bold, courageous, and in-depth manner that we've grown to know and love.

John recently accomplished the goal he set many years ago. As you'd expect, he ended his journey the same way he began—by exalting the person and work of Christ.

We thought you'd like to share in that historic moment by watching the video below. You can also [click here](#) to watch, read, or listen to John's landmark message.
