UPDATE: Our friends at Ligonier have made [several upgrades](#) to RefNet, where you can hear John MacArthur and other trusted Bible teachers every day. The network is also available through [new apps](#) for Android devices and the Kindle Fire.

We're pleased to announce a new avenue for you to benefit from John MacArthur's Bible teaching. It's a web-based Bible teaching network called RefNet, and it was created and developed by our friends at Ligonier Ministries.

RefNet (short for Reformation Network) is a 24-hour hub for a variety of gifted Bible teachers including R.C. Sproul, Albert Mohler, Steve Lawson, John MacArthur, and others, along with Scripture reading and music. Any time of day, you're able to tune in on your computer, iPhone, iPad, or other mobile device and listen to rich, life-transforming truth from God's Word.

Our "Grace to You" broadcasts air daily on RefNet, as well as John's messages from Ligonier conferences, giving you multiple opportunities to hear John alongside other excellent Bible teachers every day. You can find more information about RefNet [here](#).

We're encouraged by this new outlet for quality Bible teaching, and we know it will be a spiritual benefit to you.
